

2022 Price List Herbs & Spices

Our herbs and spices are the best quality we can source or may be wildcrafted or grown by various U.S. herb growers. Due to the pandemic and supply chain issues, some items may no longer be available or prices may change without notice. When ordering, note what form you want the item to be:

WH = Whole; Pwd = powder, c/s = cut and sifted (tea cut), Gnd = Ground

Spice Blends

Our spices range from the common spice blends to the exotic.

Over the years, we have sourced some blends from reputable suppliers and have created some very popular spice blends too! The spices are made when ordered. We sell by the ounce and by the pound.
