

# RAVEN'S NEST HERBALS, LLC FOLK REMEDY BLENDED TEAS AND BEVERAGE TEAS

## FOLK REMEDY BLENDED TEAS

Note: our traditional folk remedies are based on historical herbal recipes, Native American blends, and from extensive research. However, we do not make any claims that they will cure a health condition. Always read up on the herbs used in them and consult a physician before taking herbal products. All are loose tea. When ordering, state how many ounces or if bulk by the pound. Due to supply shortages, some teas may become unavailable or prices may change without notice. Email or call with your order first.
