Essential, Fragrance and Perfume Oils

For anything from massage to aromatherapy! Some are USP grade (food grade). If that is what you need, specify that when ordering.

QUALITY: Our high quality **fragrance** oils are creations of blended essential oils and sometimes synthetics.

If you've been to our shoppe at the Georgia Renaissance Festival, you've seen us custom blend fragrance oils for our customers right there! We can duplicate scents - limited only by your imagination!

PERFUMES: We carry blended designer "type" perfumes; both old standard favorites and the trendy new ones.

If you don't see your favorite listed, call us!

Standard Sizes are: Tester vial, 1 dram (1/8 oz), 2 dram (1/4 oz), 1/2 oz, 1 oz, 4 oz, 8 oz and 16 oz

We've listed prices starting at 1/4 oz to 1 oz. Testers of all but essential oils are priced at \$3.00, 1/8 oz \$7

For larger amounts, call or email for a price. The more ordered, the less the per ounce price!

Organic essential oils are obtainable. If organics are what you need, please contact us for availability and a quote.

Fragrance Oils					
Over the years, we've created a lot of unique blends and list the most popular ones here.					
Some fragrances are standard ones you may have seen us carry at various festivals! If you					
do not see one you are searching for listed, just contact us. We may have it or can make it					
if you send a sample for us to duplicate. Custom blending charge applies.					
When you order, please let us know if you are using the oil fragrance for body oil, soap,					
candles or crafts. Your oil will be formulated for the use you specify!
